## Hamvention bound

For the first time, I'll be driving up for Hamvention in May. I'm attending as a member of the press and my current thinking is to attempt a number of short-form audio interviews with interesting orgs, Hams, vendors, etc., which will be posted both here in the newsletter and on the [daily site](#). I'm also having stickers made up, so hunt me down if you'd like one. Hope to see you there!
